Pat,

Looks like the conference call with the cities was scheduled for next Monday June 10th. Perhaps we can finalize a name on the call.

More commonly known as Excelsior Blvd, but identified on the map as both Excelsior Blvd and 3.

I think we would be discouraged from using a name with an acronym. Maybe if we spelled the entire name out, e.g. Highway 100 and County State Aid Highway 3 Plume, and assuming County State Highway A is a reference locals would be familiar with?

Pat,

Please see the e-mail chain below. City of SLP is proposing the name "Hwy 100 CSAH 3 Plume" for the NPL listing. CSAH stands for County State Aid Highway. County Road 3, or County State Aid Highway 3 is also known as Excelsior Blvd. Thoughts?

Crague,

After discussing this with our City Manager, Tom Harmening, he has the following suggestion for a name. "Hwy 100 CSAH 3 Plume" this is a take-off of your Cty road 3 name (CSAH 3)

Subject: Naming of NPL site

Cindy and Mark,

I floated the name of Highway 100 Groundwater Plume to EPA and heard back from them that they would prefer a cross road on this as well. They felt comfortable with Highway 100 Excelsior Blvd. GW Plume or Highway 100 County Rd. 3 Groundwater Plume. Looks like Excelsior Blvd is also County Rd. 3. Are either of these acceptable to you. I think we discussed previously but wanted to make sure.

Call me if you would like to discuss further. I will be in the office until around 5:00 today and out tomorrow. Thanks.
